SETEC Elevators Expands to New Larger Offices

SETEC Elevators Full-Service Location Delivers Increases Accessibility to DFW

December 1, 2006– SETEC Elevators, www.SetecElevators.com, a Texas independent elevator contractor, is moving to a larger facility to accommodate a 50% increase in sales growth from 2005 to 2006. The new location is centrally located within the Dallas Fort Worth (DFW) metroplex because servicing the DFW area is a top priority for SETEC and its clients.

The new physical and shipping address is:

[SETEC Elevators](#)

7662 Pebble Drive

Fort Worth, TX 76118

Phone: 817-284-4430

Fax: 817-284-4436

SETEC attributes this growth spurt to the recent expansion to a full-service elevator organization offering clients elevator sales and services to include:

- Modernizations and Code Upgrades
- Commercial and Residential Installations
- Preventative Maintenance Services
- Routine and Emergency Repairs
- QEI Inspections Nationwide
- Safety and Rescue Training
- Accident Investigations
- Legal Consultations
- Expert Witness Testimony
- Industry Specific Contract Services
- Custom Design and Engineering

SETEC Elevators can be found on the Internet at: www.seteceleators.com. Here visitors can learn about all of SETEC's services, read current testimonials and press releases. Access is also provided to cutting-edge industry technology and up to date elevator safety information.
